All organisations and individuals who work with children and young people or are involved in providing services for them have a duty to safeguard and promote their welfare. This is clearly stated in the publication Working Together to Safeguard Children, 2023. This will also be underpinned by inspection requirements imposed by regulators such as Ofsted, as a condition of grant funding, or as part of a contract with an organisation to which they provide services. Whatever the background, making sure that we do everything we can to prevent appointing people who may pose a risk to children is an essential part of safeguarding children.

Nippertime Preschool is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Any member of staff working with children at Nippertime Preschool will have a Level 3 or above Early Years qualification and at least two years' experience of working with children aged 2 - 5 years.

Nippertime Preschool is an equal opportunities employer and actively promote a diverse workforce that values people for their differences. Throughout our recruitment process we will encourage applications from those with disabilities. We will carry out an annual review of our Better Business Checklist (Department for Work and Pensions) to ensure we have made reasonable adjustments to our printed information / building access / working environment.

Prior to advertising any vacancy, we will assess whether the job role requires restructuring. This may include:

- updating Job Description
- updating Employment Contract

The letter will contain when, where and how long the interview will be, who will be on the interview panel and any other methods of assessment. We will provide a map if necessary. We will advise the candidates what documents to bring and if they require any specific arrangements for interview.

The interview panel will consist of a minimum of two staff members. A detailed record of the interview will be kept. Candidates will be told at interview when they can expect a decision. After selection, candidates will be informed as quickly as possible, firstly by telephone and then a follow up letter confirming their appointment. Letters will state that appointment is subject to satisfactory references, and DBS checks.

For successful and unsuccessful candidates, interview notes will be kept for a year. Due to Data Protection, unsuccessful candidates will be asked if they would like their application form, certificates and other relevant documents returned, if not, these documents will be destroyed. All unsuccessful candidates will be offered feedback on their interviews.

The successful candidate will be asked to supply 2 written references, their full employment history, qualifications, and identity checks. All new employees will undergo Enhanced DBS checks and will not have unsupervised access to the children until this is received. Staff then sign up to the DBS update service. If any issues arise from a DBS disclosure, the employee will follow guidance on the DBS website <https://online.tmgcrb.co.uk/>.
